Sustainability

Dia 2

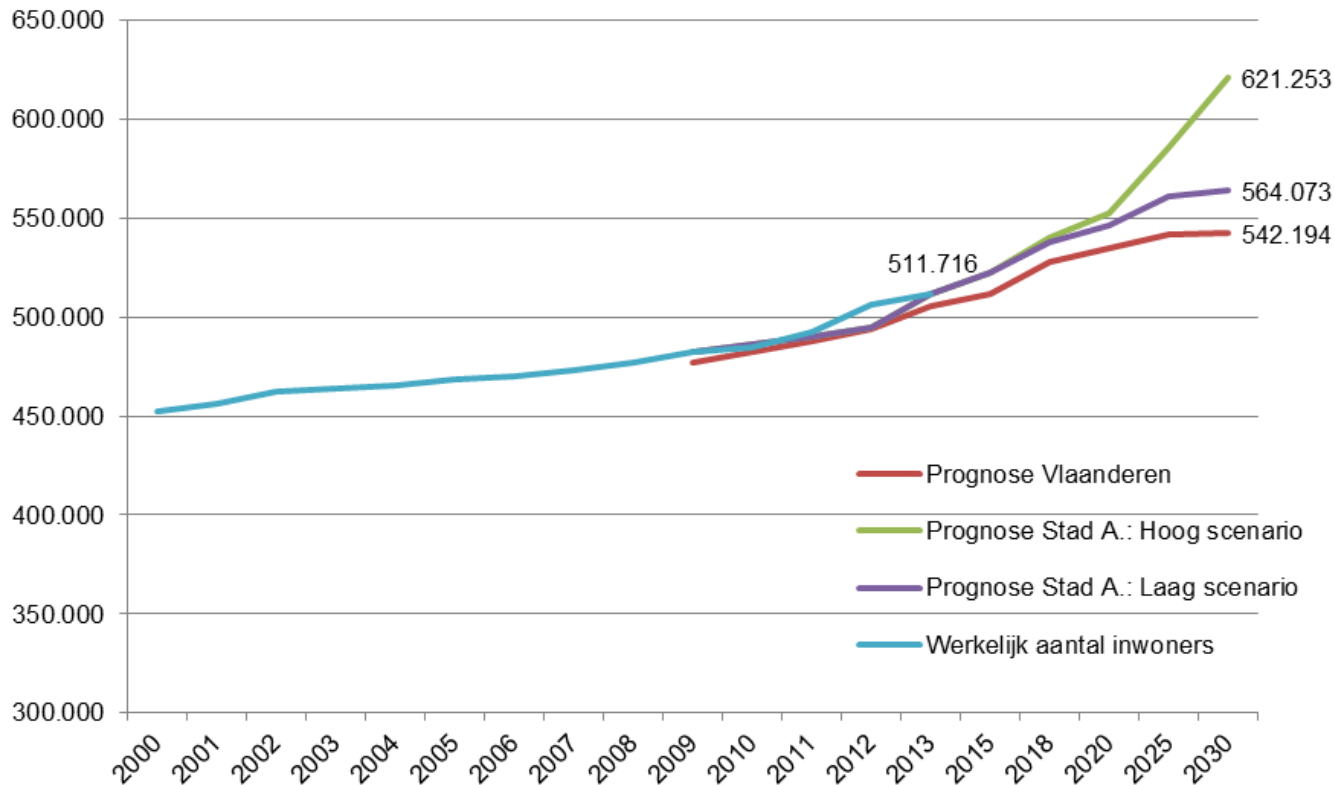

Challenges

Challenges

- Demography

Hoog scenario:
gemiddeld
migratiesaldo
2002-2009
**met toegenomen
fertiliteit**

Laag scenario:
migratiesaldo naar 0
**met afgenomen
fertiliteit**

Challenges

- Congestion

The 10 Most Traffic Congested Cities In The World

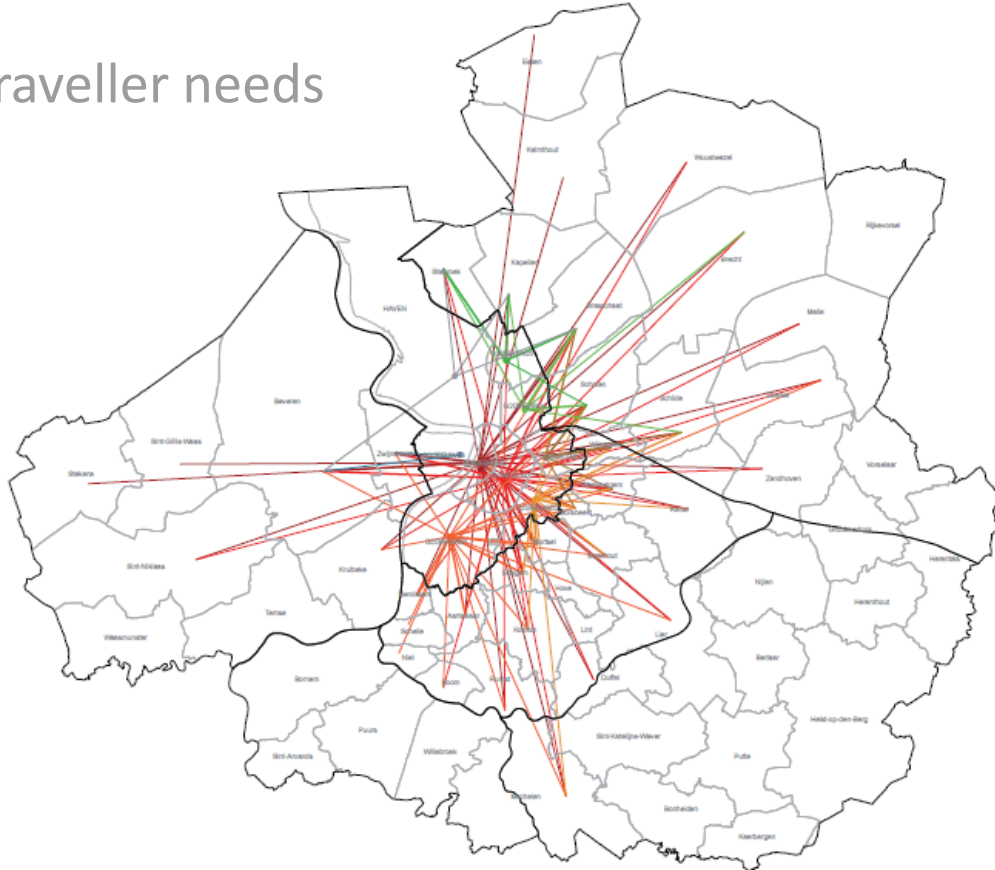

2. Antwerp, Belgium

It's a mystery why the two cities that suffer the most road congestion in the world are Antwerp and London.

Challenges

- Traveller needs
