

SUSTAINABLE DEVELOPMENT PTI FOR MARCH 2010

You can write different types of articles:

Long articles: should not exceed 5.000 characters spaces included.

Short article which will be part of a patchwork of articles: should not exceed 500 characters spaces included.

If you want to add photos or images, we need high-resolution JPG files (resolution no less than 300 dpi).

Languages: preferably English or French. In case you would like to send an article in another language, please let us know as soon as possible.

All articles should be sent back to Stéphanie Priou (stephanie.priou@uitp.org) by January 7th 2010.

In case we receive too many articles for this PTI of March 2010, the editorial team reserves the right to choose the ones which will appear in this edition.
